## Other hotels and B&B

There are several other hotels and B&Bs in Elsinore. The easiest is to look them up at the internet. Write "Helsingør" or "Nordsjælland" for destination.

## Holiday homes / Summer houses

You may also rent a holiday or summer house, typically owned by private people and let out for a week, often from Saturday to Saturday.

Check the following links and look for the region: North Zealand / Nordsjælland:
