Suggestions of what to do in Elsinore before and after the Family Reunion

You can - of course - visit the sights on your own, and you are also most welcome to propose a time and invite others to join an activity or a visit. You may do this already now via our Facebook page: www.facebook.com/groups/561365820587336/ or on Friday afternoon, at the Reunion. For some of the guided tours, enrolment and booking are necessary ahead of time. We'll come back to that later.
